## TRANSFORM YOUR SPACES

WITH INTERACTIVE FLAT PANEL DISPLAYS

CLASSROOM/TRAINING ROOM | MEETING ROOM | CONFERENCE ROOM  
AVAILABLE IN SCREEN SIZES: 55", 65", 75", 86", 98", 110"

## COMPANY PROFILE

Incorporated in 1996, Intex is one of India's largest consumer electronics companies, offering a diverse range of products in the Consumer Durables, Speakers, and IT Accessories sectors.

For 29 years, Intex has been committed to enhancing the quality of life for Indians by providing accessible, cutting-edge technology and exceptional value. Today, millions of Indians from all walks of life continue to trust and enjoy Intex products.

The company's growth is driven by its strong pillars: Product Excellence, Brand Equity, Nationwide Distribution, and Customer Delight through superior after-sales service. These strengths have fueled its expansion across India and broadened its portfolio to include a wide range of products, such as Smart TVs, Speakers, Air Conditioners,

Washing Machines, Coolers, and Interactive Flat Panel Displays. Additionally, Intex offers Digital Signage, Active Video Walls (indoor/outdoor), Kiosks, Digital Podiums, and Video Conferencing Cameras.

As we continue to evolve, our dedication to providing high-quality, affordable products remains unwavering. We constantly adapt to the changing needs of our consumers, delivering innovative solutions that enhance their everyday lives.

# 29 YEARS OF PRODUCT EXCELLENCE

“Our only limit to our achievements is the height of our dreams and willingness to work toward them.”

# SMART CONNECTION & SHARING

## BLUETOOTH CONNECTIVITY:

The Intex Interactive Flat Panel Display supports wireless Bluetooth connections to various devices, such as speakers, mouse, keyboards, and more. This feature is ideal for creating a hybrid environment, allowing both online and offline classes to proceed smoothly.

## C-TYPE PORT:

USB Type-C connectivity simplifies connections by enabling charging and data transfer simultaneously over a single cable.

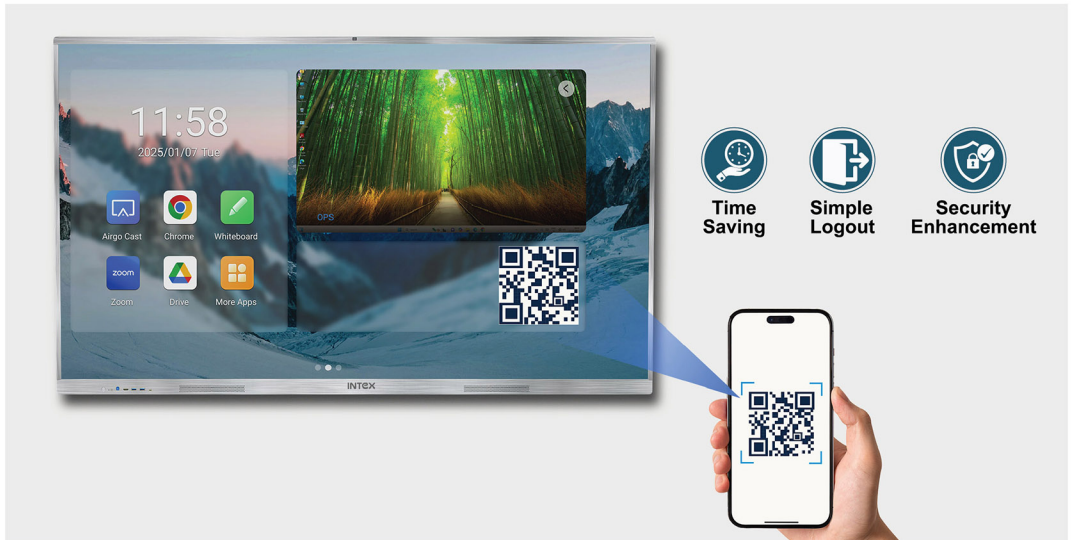

## SMART CONNECTION & SHARING

### QR CODE SCAN FOR EASY ACCESS:

Whiteboard files can be shared effortlessly via QR code scanning. Additionally, images and documents can be shared seamlessly. This ensures a smooth and efficient sharing experience.

### FRONT CONNECTIVITY DESIGN:

The Intex Interactive Flat Panel Display features front display ports and speakers, making it ideal for both teachers and students. This design enables easier content delivery with more immersive sound.

## SMART CONNECTION & SHARING

### BUILT-IN OPS SLOT:

The Intex Interactive Flat Panel Display supports OPS slots, allowing the easy and convenient mounting of an OPS desktop at the back of the panel without the need for connecting to an external desktop. This feature provides expanded functionality.

### POWER SAVING:

When a device does not receive an external input signal for a set amount of time, the device enters standby mode. Additionally, devices can be automatically powered on or off at specific times or days, contributing to energy savings.

## SMART FEATURES

### EYE-CARE:

The Intex Interactive Flat Panel Display introduces a flicker-free function. By reducing the flickering of the monitor's backlight, users can experience more comfort, even during extended use.

### LOCK YOUR SCREEN:

The Screen Lock function allows users to lock the screen and unlock it by entering a password. It can be configured in the settings menu to protect the device from unauthorized users.

## SMART FEATURES

### LOCK USB ACCESS:

The USB lock mode is a security feature that helps prevent data from being copied to unauthorized devices. This is crucial in environments where security is paramount.

### SECURE MODE:

The Intex Interactive Flat Panel Display supports Secure Mode, which disables the Share function to prevent unauthorized content from being displayed on other devices.

## KEY FEATURES

### SMART TEACHING / PRESENTATION TEMPLATE:

The Intex Interactive Flat Panel Display offers various educational templates and teaching tools, such as rulers, tables, and sticky notes, enabling active student engagement and intuitive lessons. Editing images and videos is easy, and created resources can be shared with others via QR codes.

### OUTSTANDING IMAGING- ULTRA HD 4K:

The Intex Interactive Flat Panel Display features 4K resolution with anti-glare glass, ensuring optimal viewing and showcasing cutting-edge technologies.

### AUDIO AND VIDEO CONFERENCING SOLUTION:

The Intex Interactive Flat Panel Display enhances teamwork for small, medium, and large conferencing settings.

## KEY FEATURES:

### BUILT-IN CAMERA & MICROPHONE:

Equipped with a 48 MP camera and an 8-microphone array, it guarantees flexible remote communication with clear audio, stable voice connection, and high-quality imaging.

### MULTI-TOUCH PANEL:

The Intex Interactive Flat Panel Display can detect up to 20 simultaneous touch points, creating a lifelike board-touch experience and helping students actively engage in lessons.

### BUILT-IN DUAL SPEAKERS:

The display comes with 2x20W built-in speakers, delivering crystal-clear audio.

DUAL-TIP STYLUS SUPPORTS

## DESCRIPTION OF INTEX INTERACTIVE FLAT PANEL DISPLAY:

**Built-in camera and microphone:**  
48MP camera and  
8-microphone array

**Built-in Speakers:**  
20W x 2 Powerful Crystal  
Clear Speaker

**Powerful hardware and system:**  
8-core CPU, 8 GB  
RAM+128  
GB ROM, Android 14.0

**Rounded Corners & Friendly Edges**  
User-friendly,  
unobtrusive  
design prevents injuries

**Wireless Projection**  
Projection via Airplay  
and dongle

**Panel Toughen Glass**  
Anti-Glare, Anti scratch  
& Anti bacterial Coating

**Heavy-Duty Stand**  
Heavy duty stand with  
easy to move wheels

Mobile and Lockable  
Casters

Large and  
Sturdy Base

## **OPS PARAMETER:**

Processor Make	: Intel
Processor	: Intel Core i5 and Above
RAM	: 8 GB DDR4
RAM Expandable upto	: 16 GB
SSD	: 256 GB
SSD Expandable upto	: 1 TB
Network	: Intel AX201 WiFi 6
Bluetooth	: BT5.2 Module Dual Band
HDMI	: x1 (3840 x 2160@24Hz)
Graphic Frequency	: 60Hz
Graphics	: Intel UHD Graphics
DP	: 1

## **OPTIONAL ACCESSORIES:**

**IFPD TROLLEY STAND**

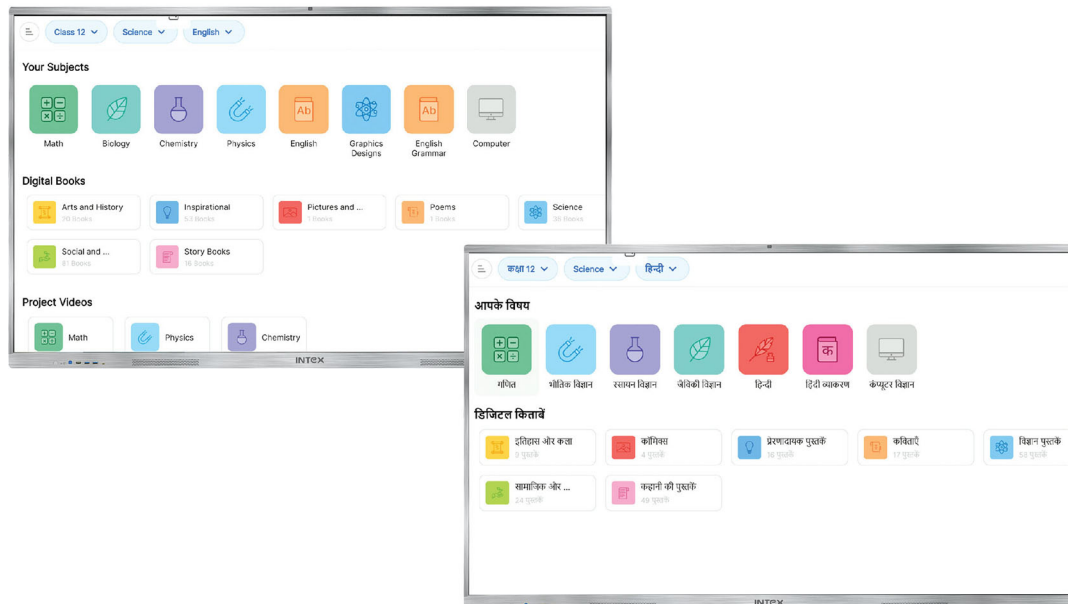

**IFPD SLIDING FRAME**

# INTEX SMART LEARN:

## RICH & COMPREHENSIVE, CURRICULUM ALIGNED DIGITAL CONTENT:

**Intex Smart Learn** offers an extensive coverage of digital learning content for classes grade 1 to grade 12 including Animated lessons, Books, Practice with instant feedback, Practicals, Interactive lessons, and a library with stories, poems, biographies and much more integrated in one learning platform.

The content is completely aligned to the curriculum prescribed by NCERT or State Boards, is highly engaging and offers supplementary learning support to diverse learning styles across students including Visual Learning, Auditory Learning, Reading/Writing & Kinesthetic Learning.

## CLASSES COVERED: Grade 1 TO Grade 12:

### SUBJECTS COVERED:

Maths, EVS, Science, Social Science (History, Civics, Geography, Political Science), Commerce (Business Studies, Economics, Accounting, Statistics), Arts & Humanities (History, Geography, Political Science, Psychology, Sociology), English Literature, English Grammar, Hindi Vyakaran, Hindi Literature, Computer, Sanskrit.

### BILINGUAL LEARNING CONTENT:

**Intex Smart Learn** offers bilingual digital content to empower students and teachers to easily switch between languages to learn and teach in their preferred medium.

The English and Hindi medium digital content is aligned as per NCERT and State Boards. In other local languages, Intex Smart Learn offers best available partner content structured as per State Board Syllabus. Coverage of grades is subject to availability.

### ANIMATED LESSONS:

Animated Lessons for classes grade 1 to grade 12 for all major subjects with real life connect and engaging animations for conceptual clarity are offered to the students and teachers. These are available in English, Hindi and various local languages.

### INTERACTIVE LESSONS:

Easy, do-it-yourself activities which teachers and students can use to create experiments and build models using free materials easily available around them. This greatly enhances the practical knowledge and scientific temper of students with fun.

## SYLLABUS BOOKS:

NCERT books or State Syllabus Books for grade 1 to grade 12 all major subjects are preloaded to the Intex **Intex Smart Learn** Platform.

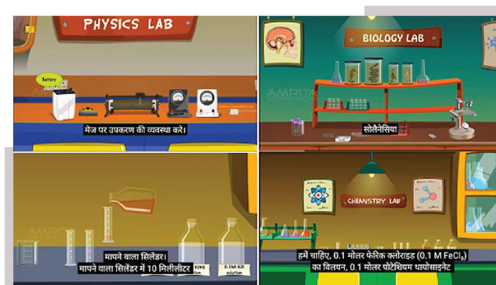

## BOOK LIBRARY:

Designed for holistic learning, the book library also has a collection of books from other categories - stories, poems, comics, arts, literature, moral values, inspirational biographies and much more. Available in various local languages.

## PRACTICALS:

The Lab practicals and experiments for classes grade 9 to grade 12 are integrated in a virtual lab and video format, where students can see, understand and experience the step by step approach and outcomes of conducting the practicals in their curriculum. These greatly enhance the understanding of students before conducting the practicals in the physical labs.

Response Time	<4ms
System Compatibility	Windows, Linux, MAC, Android, Chrome OS
Touch Accuracy	<1mm
CONNECTIVITY	
HDMI In	3
HDMI Out	1
VGA In	1
Audio In	1
Audio Out	1
SPDIF	1
USB 2.0	2
USB 3.0	3
USB Type C	1
USB Touch	2
RJ 45 in	1
RJ 45 Out	1
RS232	1
TF Card Slot	1
DP in	1
OPS Slot	1
MIC	1
POWER	
Power Supply	110-230V, 50/60Hz
Stand by Power	≤5W
Power Consumption	450W
DIMENSIONS	
Display dimension LxHxD (mm)	2515x1490x110 mm
Dimension Package LxHxD (mm)	2685x1630x310 mm
Net Weight	120 Kg ±1.5 Kg
Gross Weight	160 Kg ±1.5 Kg
ACCESSORIES	
Power Cord	1
HDMI Cable	1
USB Touch Cable(A-B)	1
Touch Pen+ Antenna	2+2
Remote	1
Vesa Mount	1000x600 mm
OPTIONAL ACCESSORIES/SOFTWARE	
Trolley Stand	Optional
Sliding Frame	Optional
OPS	Optional
Education E-contents 1st to 12th Class	Optional
Key board	Optional
Mouse	Optional
MDM Software	Optional
ENVIRONMENT	
Working Temperature	-10 to +45 degree Celsius
Working Humidity	20%-95%
