INTEX

INTRODUCING IOS FEATURES ON  
**WebOS TV**

A SUPERIOR WAY TO ENJOY ENTERTAINMENT

A large, curved display screen showing a vibrant desert landscape. The scene features rolling orange sand dunes with intricate wind patterns, sparse green and brown shrubs, and a clear blue sky with a few wispy clouds. Three hot air balloons are floating in the sky: a red one on the left, a large red and yellow striped one in the center, and a smaller yellow and red one on the right. A thin black line, likely a cable or part of the display's frame, runs across the top of the image. In the bottom left corner, there is a logo for '4K UHD HDR' with the resolution '3840 x 2160 pixels'. In the bottom right corner, there is promotional text: 'STRIKING VISUALS WITH A 4K UHD DISPLAY' and 'BRING VIVID HUES OF COLOR TO LIFE'. The 'INTEX' logo is in the top right corner.

BRING VIVID HUES OF COLOR TO LIFE

A close-up photograph of a dandelion seed head. A large, clear water droplet is perched on one of the seeds, reflecting the surrounding light. The background is dark with numerous out-of-focus, colorful bokeh lights in shades of blue, green, and purple. The entire scene is framed by a thin white border.
